Shabbona Pathway Project

2023 found the Shabbona Pathway Committee diligently at work with local, county, and state agencies on the "west leg" of the project. Some progress has been made and we hope to go to bid this year.

We again partnered with the NICE Center and hosted their annual fundraising walk.

Our committee remains dedicated to the task at hand and is looking forward to 2024.

But....we still need your help. This year Shabbona Pathway is participating again in Give DeKalb County Day on Thursday, May 2nd. Your donation will help sustain Shabbona Pathway by supporting our programming operations and mission. Thank you to the community for your continued support!

On Thursday, May 2nd please go to Givedekalbcounty.org and search for Shabbona Pathway.
